

APG's Green Guide

Use APG's Green Credentials to enhance your Environmental Statement.

Contact us on **020 8239 4100** or visit our website for more information and downloads www.apgprint.com. In the meantime, here are some example statements that could appear on your publications, along with the relevant logos:

APG Green

This publication was printed by APG, a CarbonNeutral[®] company. It was produced to ISO14001 Environmental Management System standards, and 95% of the waste created during the process was recycled. The materials used included vegetable oil inks, elemental chlorine free pulp and fibre from managed forests.

APG Green + PEFC

This publication was produced to ISO14001 Environmental Management System standards, and 95% of the waste created during the process was recycled. The materials used included vegetable oil inks, elemental chlorine free pulp and fibre from PEFC managed forests. The PEFC (Programme for the Endorsement of Forestry Certification Scheme) provides an assurance to purchasers of wood and paper products that they are promoting the sustainable management of forests.

APG Green + FSC

This publication was produced to ISO14001 Environmental Management System standards, and 95% of the waste created during the process was recycled. The materials used included vegetable oil inks, elemental chlorine free pulp and fibre from FSC managed forests. The FSC (Forest Stewardship Council) managed forests have been independently inspected and comply with internationally agreed environmental, social and economic standards.

APG Green + CarbonNeutral[®]

This publication was produced to ISO14001 Environmental Management System standards, and 95% of the waste created during the process was recycled. The materials used included vegetable oil inks, elemental chlorine free pulp and fibre from managed forests. The publication was made CarbonNeutral[®]. The unavoidable CO₂ emissions created during the manufacturing process were neutralised through investment in climate friendly projects around the world.
